THE VENUE

SPORTS BAR

Capacity: 120 Cocktail
60 Seated

The sports bar is a large open plan area within the heart of our venue that provides a fresh and relaxed ambience. This open space offers the most versatility with its setup and is decked out with a combination of high and low tables, making it the ideal area to host all styles of events.

There are multiple televisions including a large state-of-the-art big screen to keep you up to date with the latest sports. This space can be booked for semi-private functions with an area sectioned off, or as a dual booking with another area of the venue. Whether it is a birthday party, an engagement party, or you just need somewhere for your team to celebrate a victory, the Sports Bar is the space for you.

BEER GARDEN

Capacity: 120 Cocktail
80 Seated

Can't decide if you want your event to be indoor or outdoor? The Beer Garden can do both! Boasting a semi undercover large courtyard, your guests can enjoy the afternoon sunshine or dance the night away under our twinkling festoon lights whilst enjoying delicious grazing dishes and drinks. The beer garden is the ideal setting for the more laid-back function. Perfect for sunny days and balmy nights, this exclusive space is perfect for your next cocktail celebration. The newly renovated beer garden has modern strip heaters for colder evenings, and is perfectly shaded under umbrellas and shade sails for the evening sun. Very popular for end of year parties, so get in early to secure your spot in the Kewdale's backyard.

RESTAURANT

Capacity: 100 Cocktail
70 Seated Dining

The restaurant is our smaller function space, connected to the sports bar. With its cosy atmosphere and modern aesthetic, the dining room is the perfect backdrop for more intimate functions. Due to its location, the restaurant can be entirely sectioned off to the public or left open.

This area is set out with low tables and TVs and has easy access to the bar and amenities.

The restaurant is ideal for family reunions, work functions, presentations, and particularly popular for Christmas lunches and set menus. For Christmas set menus, we advise getting in early as these often book out fast and are only run subject to availability.

A photograph of a restaurant alcove. The space features large windows on the right side, offering a view of the outdoors where a sunset is visible. Inside, there are several wooden tables and dark leather chairs. Three large, cylindrical pendant lights hang from the ceiling, casting a warm glow. A dark wooden wall is visible on the left. A text overlay in the top right corner provides details about the space's capacity.

RESTAURANT ALCOVE

Capacity: 30 Cocktail
20 Seated Dining

The restaurant alcove is our smaller function space within the venue. Equipped with window side tables, this space has the option to be closed off from the rest of the venue, or you can include the restaurant for an entirely private function room. The alcove is perfect for meetings, family gatherings or small seminars. Get in touch with us today for more information on this space.

SPORTS BAR ALCOVE

Capacity: 30 Cocktail
20 Seated Dining

Small and intimate, the sports bar alcove is ideal for small gatherings, or it can be included as part of a sports bar booking, providing more space especially when it comes to presentations and serving cake! We are happy to arrange the space to fit your needs, just let your functions coordinator know the specifics and we will make it happen.

Boasting large sunny windows overlooking the beer garden, a fantastic private view of the big screen TV, and its own access door to the beer garden, this space is perfect as an inclusive sports bar booking, for small birthday parties or for after work sundowners.
